

HAZARDOUS MATERIALS PROGRAMS - SCHEDULE OF FEES

Effective: July 1, 2021

The following is the schedule of fees for the Hazardous Materials Programs. Fees are calculated based on the Board approved contract hourly rate and on the following general formula:

TOTAL FEE = BASE FEE + CUPA ADMINISTRATIVE FEE + PROGRAM FEE(S) + STATE SURCHARGE(S)

- ▶ **BASE FEE** - As a result of the May 18, 2021 Ventura County Board of Supervisors action to provide relief for businesses affected by the COVID 19 pandemic, this Division is waiving the base fee of \$400.92 for this billing period.
- ▶ **CUPA ADMINISTRATIVE FEE** - All regulated facilities are charged a fee of 16% of the invoiced amount (excluding State surcharges) to cover costs related to State imposed administrative duties of the Certified Unified Program Agency (CUPA).
- ▶ **PROGRAM FEES** –
 - **Underground Tank Fee** - \$479.04 per tank.
 - **Hazardous Materials Business Plan Fee** - Based on the quantity of **EACH** hazardous material stored on site. **Quantities under 55 gallons, 500 pounds, or 200 cubic feet are exempt from the Hazardous Materials Business Plan Fee.** The total Business Plan fee shall not exceed \$10,000.

Range #1	55-275 gallons, 500-2,500 pounds, 200-1,000 cubic feet of gas = \$72.90
Range #2	276-500 gallons, 2,501-5,000 pounds, 1,001-2,000 cubic feet of gas = \$145.79
Range #3	501-5,500 gallons, 5,001-50,000 pounds, 2,001-20,000 cubic feet of gas = \$291.58
Range #4	>5,500 gallons, >50,000 pounds, >20,000 cubic feet of gas = \$583.16

Agricultural Operations \$123.92
 - **Hazardous Waste Producer Fee** - Based on total quantity of waste produced per year. Where a Business Plan fee is already collected, the waste fee would be one half of the amount shown below.

Range #1	<5 tons of waste =	\$145.79
Range #2	5-50 tons of waste =	\$437.37
Range #3	>50 tons of waste =	\$728.95
 - **Hazardous Waste Treatment Fee** - Collected from all facilities which treat hazardous waste and meet the State definitions for Conditionally Exempt (CE), Conditionally Authorized (CA), or Permit by Rule (PBR). Fees are based on the number of treatment units at each site.

CE, units	\$145.79 first unit, \$72.90 each additional unit
CA, PBR units	\$1,895.27 first unit, \$874.74 each additional unit
 - **Above Ground Tank/SPCC Plan Fee** - \$145.79 for sites from 1,320 to 9,999 gallons
\$523.01 for sites equal to or above 10,000 gallons
- ▶ **STATE SURCHARGE** - State law requires collection of applicable State surcharge(s) on behalf of CalEPA.

The entire surcharge amount is forwarded to CalEPA. The following are the State service charge fees, as determined by CalEPA, for the current fiscal year:

State oversight surcharge (all sites)	\$57.00 per site
State e-Fee surcharge (all sites)	\$27.00 per site
State underground tank surcharge	\$20.00 per tank
State CalARP surcharge	\$270.00 per site
State APSA surcharge	\$26.00 per site

- ▶ **SPECIAL HAZARDOUS WASTE GENERATOR** - \$155.02
