### II. BACKGROUND:

The County of Ventura has been a Certified Local Government (CLG), for the purpose of cultural and historic resource preservation review, since 1991. Each year, the County of Ventura must prepare the CLG Annual Report and submit it to the California State Office of Historic Preservation for review and filing. This year's CLG Annual Report (Exhibit 1: CLG Annual Report for 2022–2023) attached as Exhibit 1 to this staff report, has been prepared in fulfillment of the County's annual reporting requirement under the National Park Service's CLG Program established under the National Historic Preservation Act. Exhibit 1 provides an overview of the County of Ventura's Cultural and Historic Preservation Program and includes such information as the number of historic properties modified, destroyed, altered, added, and/or delisted from the local landmark inventory; information regarding the County's process for commenting on and approving projects subject to CEQA; and information regarding the Cultural Heritage Board's composition and activities.

### III. DISCUSSION:

The reporting period for the annual report covers October 1, 2022–September 30, 2023, the federal fiscal year 2022–2023. Following your Board's review, the final CLG report will be submitted to the State Office of Historic Preservation.
