CULTURAL HERITAGE REVIEW PROCESS

The Cultural Heritage Board has jurisdiction over all buildings, sites, structures, and districts that are designated or potentially eligible as a Ventura County Landmark, a Site of Merit, a Point of Interest, or District. The CHB reviews work proposed at these properties to ensure that significant architectural and historical features are maintained. **The CHB's objective in reviewing project applications is the preservation of historic fabric and enhancement of those features which caused the historic area or property to be designated.** The CHB's mission is enforced through a review process for project applications related to the maintenance, alteration, restoration, rehabilitation, remodeling, addition, change of use, demolition, relocation, or subdivision of a designated Cultural Heritage Site or potential site.
